NOTE—Contn. sheet.

Office of the Food Controller in Mysore.

Dated Bangalore, 7th December 1918.

No. 630

DIARY NO. 9100

From

The Food Controller in Mysore,
Bangalore.

To

The Chief Secretary to Government,
Bangalore.

Sir,

I have the honor to solicit the orders of Government about the adjustment of the charges incurred in the Provincial Grain Depots on account of freight, rent of godown, fire insurance, establishment, wastage etc.

My proposals in regard to these charges are explained below:-

(1) For ragi the charges on account of the above items come, as far as I have been able to calculate on the basis of the expenditure hitherto incurred, to about 4as per bag of 80 seers. Whenever any consignment of ragi is sent to any of the districts, I propose therefore to debit the consignee with the above sum in addition to the price paid for the ragi, viz. Rs.6-4-0 per bag. Thus each bag would cost the consignee Rs.6-8-0 ^{or} Rs.52 per cart in addition to freight ^{to} paid by him at the place of delivery.

(2) For rice, I have asked the Director of Civil Supplies to intimate whenever a consignment is expected the price

5

per bag together with the freight to Bangalore. To this, I would add 4as per bag on account of transport to depot, and ~~the~~ depot charges. If the bags are consigned to another station without bringing the article ^{to} ~~to~~ depot, the charges will be only for handling at the station, but in order to avoid confusion, a uniform addition of 4as per bag may be made.

(3) In addition to the above, there is the value of bags. When bags are issued, I propose debiting the consignee with the actual cost of the same, and giving him credit for two-thirds of the value when they are returned.

(4) In the above calculations I do not include charges on account of interest, or the salary of any establishment except that specially entertained for the depots.

If the above proposals are approved, I request that instructions to accept the same may be issued to the Comptroller, the Deputy Commissioners of Districts and the Presidents of the two City Municipalities.

I have the honour to be,

Sir,

Your most obedient servant,

K. S. S. S.

Food Controller.
